

Emanuel Vidmar

HELLO

My name is Emanuel Vidmar and I am a web developer from Brnik - Slovenia. I have over 5 years of experience in modeling and developing web based applications, user interfaces and websites. I am able to produce accessible, semantic and valid x(HTML) / CSS and also well aware of cross browser issues and best practices to overcome them. I can develop object oriented PHP based applications, I'm familiar with MVC frameworks (symfony) and I speak fluent English.

EDUCATION

- School Centre for Technical Sciences Kranj (1999 - 2003)
- Faculty of Electrical Engineering (2003 - 2006)
- Faculty of Physics (2006 -)

REFERENCES

Web developer at Megaklik d.o.o.

Developing modules for in-house classifieds ads system (www.bolha.com).

Web developer at ARDI d.o.o.

Collaboration on an extranet application (mostly interface).

Web developer at Studio Sever d.o.o.

Developing Web pages with their in-house CMS, coding user interfaces, making accessible and standards based XHTML templates .

Web developer at Creatim RP

Developing websites/applications for major Slovenian and some international companies, coding in-house CMS and CRM solutions, creating XHTML/CSS based layouts and offering SEO consultation. I also regularly organised educational meetings for coworkers regarding best practices and productivity on XHTML, CSS and JavaScript. I developed some standalone web applications in PHP (object oriented), designed database models for it, worked with some JavaScript frameworks (Ext, jQuery, MooTools).

Freelancing

Programming websites (applications) for different companies and individuals with CMS support, programming CRM application for personal use from scratch, basic administration of Linux server.

HOBBIES

- Assembling and flying airplane models (have quite some planes)
- Guitar playing (just an amateur)
- Traveling (been to: Asia and lots of European countries, going to: USA)
- Reading and listening to music (i love Pink Floyd and Sci-Fi books)
